United4Rescue - Gemeinsam Retten e.V.

Herrenhäuser Straße 12
30419 Hannover

www.united4rescue.org

Project description (approx.. 1000 characters)

The project description should explain the project precisely and in detail, in particular with regard to the main goals, the course of the project, the time period, any planned public relations work as well as the end of the project and any further plans. Attachments can be included.

Financing

Please attach a calculation for the project.

In particular, present the planned income / expenditure as to answer the following questions:

- How is the project financed? What other funding sources are there? How has the project been financed so far?
- What will the requested funding be used for?
- Will the project be continued after the funding period? How is further funding planned?

Declaration

The applicant assures that the information provided is correct and complete and that significant changes to the project, in particular to the funding, will be reported immediately. The applicant is aware that there is no entitlement to funding.

Applicant sea rescue organisations also declare that

- Rescued people from the Mediterranean Sea will only be brought to a place of safety in the European Union. Disembarkation to North Africa or Turkey does not take place.
- No asylum hearings are conducted on board, including by other actors, authorities or intergovernmental actors.
